

Appeal for CC Docket No. 02-6

Today's Date: October 18, 2013

Applicant Name: Harrisville School District

Billed Entity Number: 16065338

Form 471 Application Number: 863224

Funding Request Number: 2350690

Funding Commitment Decision Letter Date: September 5, 2012

Date Appeal Postmarked: September 13, 2013

Reason for Appeal:

This funding request had a data entry error showing a service start date of 6/30/2013 for funding year 2012. The service start date should have been 07/01/2012. It was approved for 0 months in funding year, with an funding pre-discount amount of \$456.17, funding commitment decision amount of \$273.70 at their 60% discount.

This clerical error was not caught until I started the Form 472 for reimbursement. I appealed this but it was out of the 60 day window. This FRN had gone through PIA review and the contract date was changed, correctly, but the service start date error was not caught.

I am filing this appeal to see if this small school can receive their reimbursement and not lose over \$3000 on a clerical error.

Thank you
